

# TRINITY COUNTY AMATEUR RADIO CLUB NEWSLETTER

March 2006

---

CLUB ADDRESS: P.O. BOX 2283, WEAVERVILLE, CA 96093

---

## NEXT CLUB MEETING

The next club meeting will be held on Wednesday, March 8<sup>th</sup>, at 7:30 p.m., at the Trinity County Office of Education conference room.

We hope to see the two new members at the next meeting. They are: KI6BVP Cliff Gorman, who is a recently licensed amateur radio operator. Hope to see you, Cliff.

We welcome back KG6OJT Mike Walker, who is a former member of this club, and we are glad to have him back!

## FEBRUARY MEETING

We had a very eventful meeting at Marino's restaurant in February. Be sure to read the account in the attached minutes. A lot of activities are in the offing for coming months. Come and join us!

News is scarce - it has been a quiet winter, and for N6TKY and myself we have been fighting the annual bug that makes the rounds, in fact I

am just beginning to pull out of it now, with TKY getting over his sooner than I did, but he was the first to have it!! It was not a real flu thing, we did not have the achy, achy part, but we had a cough that didn't want to quit! I had begun to suspect pneumonia, but got on the Tylenol kick, and it made the difference. Today, the world looks brighter to me.

REPEATERS..... It was good to hear so many of you on the Thursday night net - 146.73 was doing fairly well. We have not heard 146.925 kick in lately, but we are confident it will, it just needs more sunshine on Bully Choop Mountain. With the approaching spring, we will be facing some major tree-trimming at Hayfork Bally, to keep the repeater functioning there, but that is another subject for another day!!

This is all the news for today. Hope to see you at the meeting next week.
